Re: Chore-Time Twin 3-Bin Lower Boot Kits – Packaging Update

3/28/2019

Packaging for Chore-Time Twin 3-Bin Lower Boot Kits is changing. Rather than being packaged in one large, heavy box, these parts will be packaged in three separate, smaller boxes. This has been done to cut the weight in half of a very heavy, loosely packed box, into three more manageable boxes. Pricing for these parts will not change. The part number of the Twin 3-Bin Straight Boot 90 System will remain the same.

Twin 3-Bin Lower Boot Kits Packaging Updates:

Item Number	Description
48660	Twin 3-Bin STR-T Boot 90 (Red Boot) System
48660C	Twin 3-Bin STR-T Boot 90 (Clear Boot) System

If you have any questions about the Twin 3-Bin Boot packaging updates, please contact the Sales Team or Inside Sales at sales@pigtek.net or at 574-658-5000.
